COMMUNITY OUTREACH

The CES Environmental Services site is a former chemical recycling facility located at 4904 Griggs Road, Houston, Texas. Numerous containers of chemicals as well as chemical spills were discovered on site. In August 2014, the U.S. Environmental Protection Agency (EPA) along with the Texas Commission on Environmental Quality (TCEQ) began cleaning up the site.

In November of 2014, staff from the Texas Department of State Health Services (DSHS) and EPA went door-to-door in the area to collect information about general environmental and public health concerns regarding the CES Environmental Services site.

During the week of September 29, 2015 through October 2, 2015, DSHS will be conducting a follow-up community survey to identify continuing and new concerns of nearby residents.

If you want to visit with us, please call 512-981-8397 or 512-981-8415 between September 29th and October 2nd. If you would like to contact us before September 29, 2015 please contact our office at 1-800-588-1248 extension 2678.
